The Pentecostals Of De Queen Times

January 2009 Edition

## In 2009 His Light Will Shine

2008 is now behind us and we can look back on the many blessings during the past year. The month of December was The PODQs busiest month of 2008 with a variety of activities taking place. We would like to extend a special thank you to everyone that participated in these events, they would not have been successful without your support and hard work. Although 2008 was a busy year, 2009 is going to be bigger and better; not only from a natural standpoint but from a spiritual aspect. God is going to exceed our expectations; more souls are going to be won, more lives are going to be impacted, more healings are going to take place and miracles are going to be prevalent. Our lives are going to have excessive blessings poured out on them, our homes are going to prosper and our communities are going to be impacted. The PODQ is going to connect, encourage, lift up, promote, and build more than ever before. His blessings will be abundant, His love everlasting and His light will shine bright. Our goal...No one left behind in 2009.
